

ANTROBUS

Office space available

Short or long term. Rates negotiable.

You could be in business in the middle of Petersfield, with **minimal capital outlay**, no legal fees and **no long-term commitment**. Antrobus House Business Centre can provide you with **modern**, fully furnished and fully serviced office accommodation **in the town centre**. We are **close to the A3** and have **express rail links with London** and the South Coast, and are **only 25 miles from Southampton Airport**.

Antrobus House can put at your disposal the kind of services and facilities you would expect from a large organisation, without placing undue demands on your capital – leaving you free to concentrate your efforts and resources on developing your own business.

This means we run the office while you run your business.

The package includes a **fully furnished office** with **24-hour access**, car parking space, **broadband, reception facilities** including telephone and mail accommodation, business rates, insurance, **access to meeting rooms**, cleaning service, utilities and kitchen and shower facilities. **Personal computers** are available on request.

The 12 offices range in size from **120 square feet to 320 square feet** and can accommodate between **2 and 6 people per office**.

We provide you with a **fully functional reception service** which includes telephone and mail accommodation. Our professional receptionist will **answer the telephone in your company's name** and meet and greet guests and visitors. For an additional charge we can handle all your typing, faxing, photocopying and mail franking requirements too.....

We can even do all your bookkeeping, **accounts**, payroll, **tax returns** and assist with your **business planning**

Current offers include:

- **1 month free when you sign a 6-month contract (before Christmas)**
 - **Finder's Fee of £100**
